# OUR SERVICES

## Banking & Finance

Our experience allows us to give clients flexibility to raise the finance that they need. We understand how local players in the market operate as well as what foreign banks need to gain security over their operations in the region.

## Corporate M&A

The key to success in corporate and M&A matters is the efficiency with which a deal can be executed so the client can return to their day-to-day business operations and decisions. This is our priority at Aguilar Castillo Love.

## Labor

Aguilar Castillo Love has a standout reputation in transaction- and corporate-related labor matters. Our practice is employer focused, assisting clients to be ready for this changing landscape.

## Regulatory & Compliance

Our regulatory practice is aimed at helping our clients achieve compliance, as well as to assist them in understanding and addressing the specific rules that apply to their industries and activities.

## Tax

Our robust tax practice has expertise across a number of sectors, including automotive, banking and finance, energy, free trade zone regime, hospitality, pharmaceutical, real estate, retail, travel and leisure, among many others.

## Risk - Disputes

We are recognized for handling large, regional as well as international mandates cutting across practice areas, including relating to M&A, compliance and investigations, reputational risk, environmental, antitrust, corporate crime and international investment treaty arbitrations.
